We really need the support of new parents for the activities of the BHPA. A one-off membership fee gives you discounts on all future events whilst your daughter is at school, so you quickly recoup the investment.

To become a member and support your daughter's experience at Bromley High School, please fill in your details (below) and **return this form to school with a cheque for £50.00 made payable to "BHPA"**.

I would like to apply for membership to Bromley High Parents' Association and enclose a cheque for **£50.00** made payable to BHPA.

I am / am not willing to become a class representative
